babe's New Year terror

STUNNA SARAH ATTACKED TWICE

SUNDAY Sport stunna Sarah Longbottom claims she was attacked TWICE as she celebrated the New Year.

The mum-of-two says a woman grabbed her and threw her to the floor of a nightclub in the early hours of January 1.

And when she left the venue later that morning, the 36-year-old was jumped by the same woman who had been outside waiting for her.

During the second attack, Sarah claimed she was also kicked and punched by a man who had been removed from the club in Rawtenstall, Lancashire, earlier on for grabbing her leg.

She was left with concussion, a black eye and bruised cheekbones.

Sarah said friends invited her out while her children were at her mother's house.

While dancing and enjoying the first few hours of 2020, she said she spotted something that didn't seem right.

Touch

Sarah said: "I saw an old guy walking round. He was in his 60s.

"Later I felt him touch my leg, the bouncers spotted it and came over to tell him that he was going to get thrown out."

But wasn't the end of Sarah's troubles.

She said: "The next minute this girl threw me on the floor, so the bouncer threw her out. I think she was jealous."

By BARNEY SAMUELS
news@sundaysport.co.uk

She left the club at around 4am but she says two people were outside waiting for her.

Sarah said: "The girl who had attacked me before jumped on me.

"I got her off me and started walking home, then I felt something smash into me and throw me on the floor.

"It was the man. I felt him kicking me and punching me in the head. It was awful.

"I managed to run away down the side of the church."

A Lancashire Police spokesman said: "We are currently investigating."

CORRIE EXCLUSIVE

Grief-struck David BUMS Street vicar

SEX SCENE: Billy and David *(above)*

By PENNY MARSHALL
news@sundaysport.co.uk

CORONATION Street **fans are in for yet more of an emotional rollercoaster as David Platt struggles to come to terms with wife Shona facing death.**

Faced with the loss of his missus and giving evidence at the trial of the man who raped him, David is set to go on a massive booze bender and will end up BUMMING Corrie vicar Billy Mayhew, played by Daniel Brocklebank.

A Corrie source said: "There's an arms race going on in soapland and the fight is on for the most drama, most emotion and most watershed-friendly sex you can cram into half-an-hour.

Frenzy

"David Platt is an emotional timebomb at the moment and this is another level of anguish for him.

"He just explodes in a drink-sodden frenzy of spunk-splattered bum sex with the vicar.

"Naturally, as this is *Coronation Street*, you won't actually see it going in – but this will be red-hot stuff, bumming-wise."

Corrie fans have already been reaching for the hankies as they've followed surly David's recent troubles.

The salon worker was set to face his rapist, Josh Tucker, at trial and broke down in tears at his wife's hospital bedside under the pressure of his current situation.

David goes to Shona's bedside and begs her to wake up, saying: "I need you to wake up now.

"They want me to testify at Josh's trial. I can't, you know I only reported him because you came with me.

"I can't do this on my own. I can't."

Shona was caught in the crossfire of Derek Milligan's murderous rampage against Gary Windass and ended up in hospital.

Things were looking promising at first, but her health took a turn for the worse when she fell into a coma.

A devastated David kept a vigil by her bedside, before being told Shona needed more tests.

However, tragedy struck when the doctor revealed the results of the tests – and that her brain activity had deteriorated.

Fleabag Andrew hates 'casual sex'

FLEABAG **star Andrew Scott says he dislikes the term "casual sex" – because it can make people feel shameful about their sex lives.**

The actor (*right*), 43, said: "The idea that you can't extract any kind of meaning from casual sex – I think that's dangerous because it invokes shame in people. You learn from people. It's not about the length of time you spend with somebody."

Scott went on to praise *Fleabag*, in which he played the "hot priest" character, for addressing the subject of casual sex.

He said: "In a way, that's what *Fleabag* is about. "You can have potent, lifelong effects from meeting somebody over two weeks, or one week, or, you know, three hours."

Carlos Ghosn was awaiting trial in Japan, where prosecutors say he was on the fiddle. But we reckon it would have to be a cello, at the very least.

A NEW year sees millions of Brits pledge to avoid meat for the whole month of January.

By which we mean they'll have to walk around those piles of puked-up kebab which will litter every High Street until the council can be bothered to clean them up.

And, yes, precisely 34 Brits are also going vegan for the month. However, they all work in radio, television and newspapers – so be prepared to hear ALL about it.

THURSDAY

THE Lib Dem MP Layla Moran reveals that she's also given up meat – or at least sausage – because she's in a relationship with a woman.

She says she's "Pan-sexual", which means she still fancies fellas, too.

Especially if they dress up in a little green suit and fight Captain Hook.

FRIDAY

THE Pope apologises after striking a female fan who grabbed him during a walkabout.

SATURDAY

THE BBC announces plans for a two-hour long "life drawing" show in which viewers learn how to sketch nude models.

Wow, two hours of nothing but pricks, tits and the occasional arsehole.

Apparently ITV chiefs are planning to sue them for copying the *Good Morning Britain* format.

BED POST? Rhian and Oliver

RHIAN'S LEAKY BUMHOLE HELL!

Shock as intimate pics turn up on internet

THERE are many close-up pictures of ladies' puckered bumholes on the internet for anyone minded to search them out.

But one has leaked onto the web that commanded special attention.

Because web mischief-makers claimed it was the fragrant balloon knot of lovely glamour babe Rhian Sugden.

Topless

The intimate photo – which we are unable to print for legal reasons – appeared with others on a notorious photo-leak website.

One picture appears to show the 33-year-old model relaxing topless in bed with hubby, actor Oliver Mellor.

But another snap that the website claims is Rhian shows a close-up of a lady's hindquarters centring on her dark hoop of anushood.

There is absolutely no way of telling if the photos are real or genuine. Either way, they are an outrage.

Last night, a pal of the star said: "Rhian would be appalled and horrified that these photos are out there on the internet claiming to be of her.

"If they are a hoax, it is a cruel and elaborate one.

"If these photos are real, then it is an egregious and illegal invasion of privacy.

"I feel sure that Rhian would be grateful to *Sunday Sport* for exposing the people peddling this filth."

When I was told David Attenborough had been clubbing seals, my blood ran cold...

EVIL David Attenborough has appeared in court charged with clubbing 15 baby seals to death with a converted fire extinguisher.

But don't worry folks – it's not THAT David Attenborough!

David Clarkson Attenborough, originally from Goole, East Yorks, but now living in Tromso, Norway, was spotted battering the lovable pups on an ice floe high in the Arctic Circle.

While Norwegian law allows seal numbers to be controlled, they can only be shot dead by highly-trained marksmen.

Clubbing – a practice used by the bloodthirsty Canadians – is banned in Norway.

A police source said: "When I was told that David Attenborough had been arrested for clubbing seals to death my blood ran cold.

"I said to myself 'the hopes and dreams of a billion animal-loving people will be destroyed by this news'.

"But it turns out that it wasn't that Attenborough but another British man living in our country. Bloody immigrants."

Little is known about the 26-year-old suspect.

The police say he was not killing the seals for their fur but for "perverted fun".

Attenborough will appear in court later.

Sex beasts get lessons in cleaning windows

SEX OFFENDERS are being trained up as WINDOW CLEANERS in jail – to help them set up their own rounds when they are released.

Inmates at HMP Stafford, a 750-capacity category C jail for nonces, are also being taught the ropes about working out quotes and completing invoices.

The new course, intended to give lags "skills which can be used on release", was revealed in a report from inspectors from the Independent Monitoring Board.

It states: "A business model has been developed for window cleaning, and prisoners carried out the business activities of obtaining quotes, invoicing and recording their work.

"This allows the prisoners to gain skills that they could use themselves on release."

A prison source, however, said that training sex offenders as window cleaners was not a great idea.

He said: "Giving sex offenders of all people free rein to climb up ladders and look through windows when they are released is asking for trouble.

"Whoever came up with this plan has obviously not thought it through properly."

'Turn-off' vegans are losers in love

SIX-IN-10 Brits reckon vegans are a turn-off, a study has revealed.

Even a a quarter of vegetarians say vegans – who don't eat any animal products, including eggs, butter or cheese – were "not attractive".

When it comes to the meat eaters polled, 93 per cent said vegans turned their stomachs.

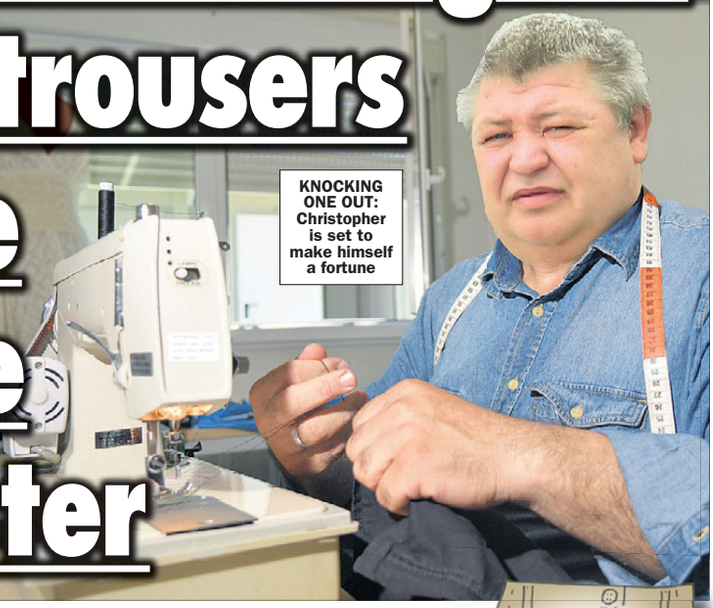
The YouGov poll of 2,000 Brits commissioned by Sainsbury's found that despite a rise in vegans – with around 600,000 in the UK now – they were still seen as "unattractive partners".

The supermarket chain says it has seen a 40 per cent rise in spending on vegan and vegetarian food in the past year.

But a spokesman said: "Despite the booming trend in plant-based diets over recent years, vegans still seem to face hurdles when looking for love."

Deborah Meaden laughed at my w**k trousers ... but I'll be a millionaire by Easter

DISMISSED IDEA: Deborah



KNOCKING ONE OUT: Christopher is set to make himself a fortune

AN ORGASM-obsessed entrepreneur is on the verge of becoming a millionaire with his specially-designed WANK TROUSERS.

Using a discretely fitted mechanism, the pants enable men to be furiously tossed off without the use of their hands while their pecker is still tucked away.

They can be used on buses, trains, bars and even in supermarket aisles, says inventor Christopher Jones, who has patented his design.

By JUSTIN DUNN
news@sundaysport.co.uk

And his forward-thinking initiative will prove one in the eye to the know-it-all business experts on BBC2's *Dragons' Den*, who rejected his presentation so quickly it didn't even make it to TV.

Milkman Christopher, 56, from Sunderland, who is single, said: "Deborah Meaden and that tall bloke laughed at my wank trousers but I'll soon be a millionaire.

"They're already selling like hot cakes and no wonder – Christmas was a great time for quirky gifts and my wank trousers have sold out!"

Asked where he got the idea for his product, he explained: "Like most fellas, I've always been a huge fan of masturbating.

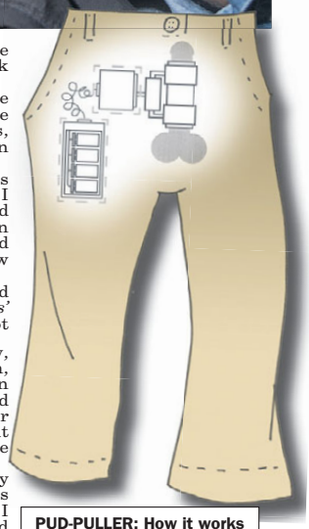
"The problem is that it's apparently antisocial, as I learned when I was arrested for an incident on a train in the early 90s. Later, I had the eureka moment – I knew how to solve the problem."

He added: "I was laughed out of the room by *Dragons' Den* judges – I never even got on the telly.

"So I went away, refined the design, found a maker in eastern Europe and got my first order for 5,000 units at £99 a pair for the Far East market.

"I can't reveal my special device as it's been patented and I don't want it copied but it's proving incredibly popular.

"I'm now working on designs for a female version, an LGBT one, and maybe one for vegans, too. It's an exciting time to be in business."



PUD-PULLER: How it works

The 15th series of *Dragons' Den* is currently airing on BBC2 at 8pm on Sunday evenings. No-one at the corporation was available for comment.

The pictures come after Lauren blasted claims she'd dialled for an ambulance to help cope with her hangover as she was rushed to hospital and put on a drip on Boxing Day.

After leaving the hospital she thanked her fans for their well wishes and hit back at the keyboard warriors.

She wrote: "For those who were saying I've gone to the hospital for a hangover you need to seriously shut up and think before you type."

RIHANNA has kicked off 2020 with a sexy new photo shoot for her saucy lingerie line, Savage X Fenty.

The singer shows lots of skin – and her killer curves – in barely-there attire for the Valentine's Day campaign.

Dressed in a matching ruby red bra and panties set in one of the photos, RiRi, 31, smirks to the camera while caressing one of her TEATS with a jewel-adorned hand.

And what's more, the scanties have ZIPPERS in them to allow easy-access to all the best bits!

Another photo shows the businesswoman, who launched the brand in 2018, posing in the same ensemble, plus thigh-highs and heels, spread out suggestively on a pink blow-up couch.

Designer Adam Selmanm, who poses with Rihanna in one of the shots for the campaign, teamed up with the singer to create this new line.

He said: "I saw Rihanna, and when we went in for a hug, she whispered in my ear, 'You have to do Savage X with me'.

"We went about our business and a few days later, she texted me, 'No, I'm serious. You have to do a collaboration with us'."

Vanessa: My naked photo leak trauma

FORMER Disney star Vanessa Hudgens has opened up about being the victim of a nude photo leak, calling it "really traumatising".

Back in 2007, the actress had her privacy breached when nude photos of her were leaked online after her phone was hacked.

She said: "It was a really traumatising thing for me.

"It's really f**ked up that people feel like they're entitled enough to share something that personal with the rest of the world."

Vanessa, 31 (*above*), who shot to fame in the first *High School Musical* film in 2006, explained that the scandal made her feel she had lost "all grip of her own privacy", saying she found it "sad" that "people take it too far".

She added: "There's a disconnect, when you see your favourite star on screen, on the TV in your home, and you can watch them whenever you want."

Tubbies get more toad in the hole!

FORGET the old joke about fatties not being able to see their knobs – because gutbuckets shag more than thin blokes!

For a study, published in the journal *PLOS One*, researchers from the University College London and Anglia Ruskin University, picked 5,000 sexually active Brits.

Study lead researcher Lee Smith said: "I believe the observed association is owing to spouses in satisfying relationships relaxing their efforts to maintain their weight because they are no longer motivated to attract a mate.

"Therefore, those who are overweight are more likely to be in a happy and satisfying relationship and more likely to engage in frequent sexual activity."

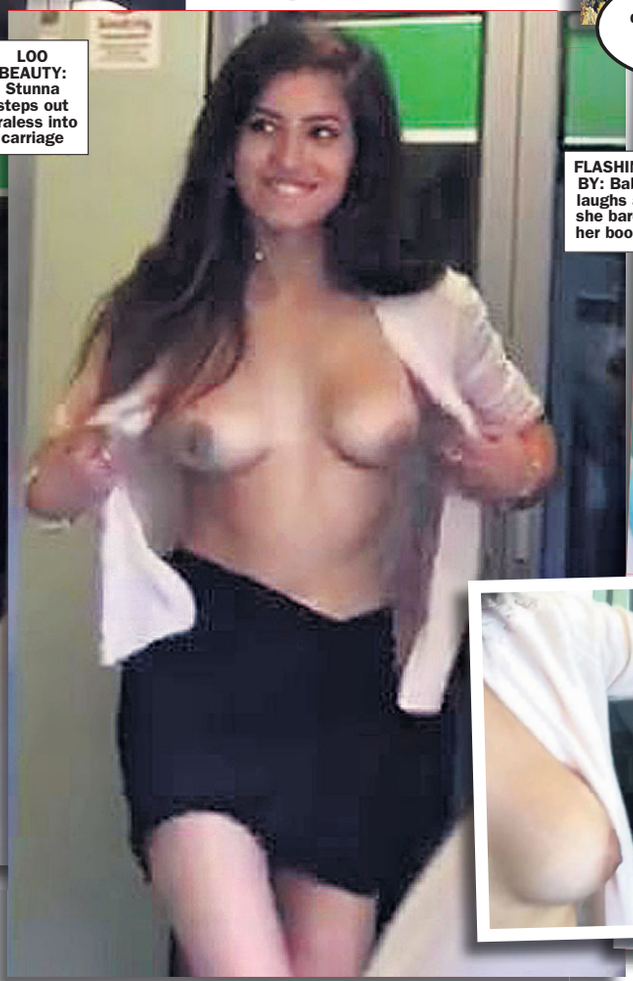
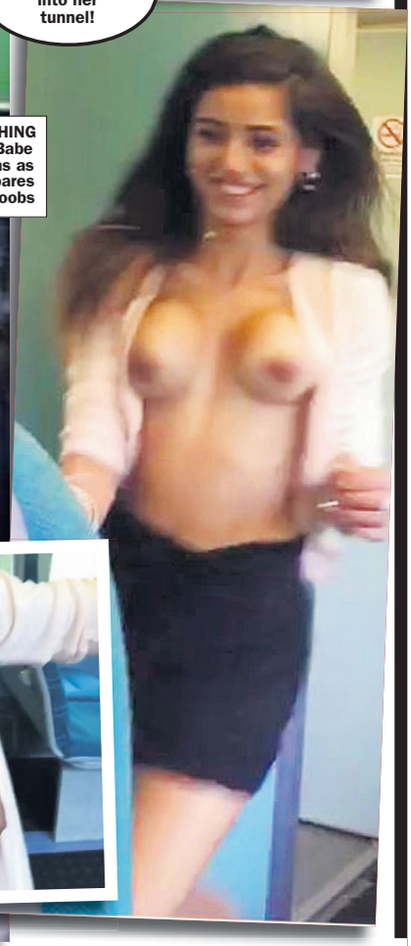
Stunna flashes boobs on the Brighton train

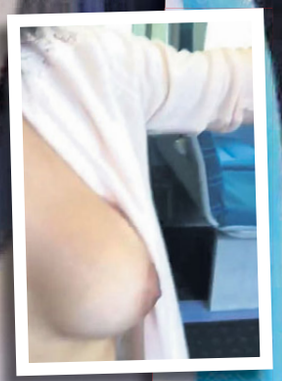
I'd like to drive my train into her tunnel!

LOO BEAUTY: Stunna steps out braless into carriage





FLASHING BY: Babe laughs as she bares her boobs



IT'S the question all passengers to Brighton must be asking – why wasn't I on THIS train?

A mystery brunette was recorded emerging from a train carriage toilet with her blouse undone, bra off and fine boobs on display.

She can be seen running from the loo for about 10 feet to whoever is recording the saucy scene.

Just seconds long, the clip has nonetheless set the internet on fire as people try to track down the perky flasher. The beauty appears to be in her early 20s with long dark hair, and was wearing the white unbuttoned blouse, a short black skirt, and gladiator-style shoes.

The only clue is the information sign above her head as she exits the toilet, with the ticker reading: "This train is the Southern service to Brighton."

Rail experts have confirmed it is a Southern service from London to the south coast.

Do YOU know who she is? Did you catch a glimpse of her tits?

C4 IN GRETA SEX ACT STORM

TEEN: Greta Thunberg

COMEDIAN Rosie Jones stunned viewers of Channel 4's *The Last Leg* after making a "disgusting" joke about young climate change activist Greta Thunberg.

On the New Year's Eve edition of the comedy series, Jones said that while she admired Thunberg, the Swedish 16-year-old should be taking part in more age-appropriate activities.

Jones said: "I think that Greta is amazing and what she is doing is brilliant.

"But don't do it now – she needs to live a little.

"She's only 16. She should be doing two things – drinking Lambrini and getting fingered."

And the racy gag received a mixed response on Twitter.

One user tweeted: "Rosie Jones was totally inappropriate.

"I normally like your show, but what she said about a 16-year-old is below any standards."

And another furious viewer posted: "I'm disgusted by the comment that Rosie Jones just made on your show. It shouldn't have been applauded."

Jones, a stand-up comic with cerebral palsy and a regular at the Edinburgh Fringe Festival, has written for and appeared on *8 Out of 10 Cats* and *Would I Lie to You?*

THE VOICE OF YOUR BRITAIN

Is Royal too loyal for his own good?

LOYALTY is a noble thing to be admired in our fellow beings.

But loyalty has limits and it is up to the individual to use their common sense to set those limits.

A picture in today's Sunday Sport suggests Prince Andrew is woefully lacking in common sense.

Banished from Royal duties thanks to his association with the shamed nonce financier Jeffrey Epstein, one would expect the Duke of York to take stock, keep his head down and wait for the dust to settle.

But today, we publish a photo of what looks like Epstein strolling around the grounds of Andrew's Windsor home.

This is wrong in so many ways – not least because Epstein is supposed to be DEAD!

The photo throws up many questions that MUST be answered:

DID Epstein fake his own death?

IS Prince Andrew providing his old pal with sanctuary?

ARE the rest of the Royals aware of a dead fugitive's presence on royal property?

Like the vile stench that stays under one's nails after fingering the cat, the Epstein saga refuses to go away.

And each day it continues further drags the good name of our Royal Family through the mire.

Andrew must be sent away – far away, maybe to become governor of one of Britain's remoter colonies.

Only the banishment of the Duke of York will save the House of Windsor from the vengeful hurricane of resurgent republicanism.

One L of a problem

AMERICAN TV show The L Word is back and already it's causing a storm across the Pond.

Soon the series will screen in the UK. We should be delighted, but wait. The L Word makes rampant lesbianism look so attractive that millions of our wives, sisters – even daughters and mothers – will surely stray into the soft, welcoming arms of Lesbia.

And where shall we be then, eh? Unfed, unlaundered, unloved men.

These TV shows about lesbians are all well and good but we must beware their effect upon the impressionable minds of our inquisitive womenfolk.

Vagina ban for trannies

SNOWFLAKE students have banned the word "vagina" from the play *The Vagina Monologues* – in case it upsets trannies.

Drama students at Washington University, in St. Louis, Missouri, erased the "vagina" part, instead calling it *The [Blank] Monologues*, in order to be inclusive of so-called "other genders".

Writing in the university's student newspaper, the producers of the show burbled: "In adapting this show to become more gender inclusive, this year's audience members, regardless of how they identified, were able to more strongly connect with the impactful monologues.

"By rebranding, this performance was welcoming to a more diverse group of viewers."

However, one unnamed student said: "These people are totally fking insane."**

JEFFREY EPSTEIN SPOTTED IN PRINCE ANDREW'S GARDEN

MYSTERY: Pic seems to show nonce Epstein in royal grounds

Did billionaire fake own death to escape sex rap?

IS moneybags meganonce Jeffrey Epstein alive and well and finding sanctuary with pal Prince Andrew?

That's what this photo seems to suggest...

When it was reported that the shamed financier had been found dead in his prison cell, few expected it to be the end of the matter.

The well-connected society figure, who lived on a private atoll dubbed Paedo Island and flew in a jet called the Lolita Express, had two passions in life: sex with underage girls and mingling with the famous and powerful.

And occasionally he apparently combined his two hobbies.

With the help of his shadowy procuress Ghislaine Maxwell – daughter of the late monster Robert Maxwell – Epstein lured young women and celebrities who should have known better into his warped orbit.

One person counting the cost of getting too close to him is Britain's Prince Andrew.

The Duke of York was dragged into the row when he was accused of having sex with one of Epstein's sex slaves – claims he strenuously denies.

His case was not helped by the fact he consorted with Epstein even after the financier had been convicted of noncery.

A subsequent BBC interview with Emily Maitlis only made things worse and led to Andrew being effectively sacked as a working Royal.

When Epstein was found dead in his cell in New York, his death was explained as suicide but few believed it.

Many people would have loved Epstein to be silenced before he could reach a court room.

But this photo suggests that Epstein is not even dead, faked his own demise and is strolling the grounds of Prince Andrew's Royal Lodge home in Windsor, Berks.

A Royal source said: "I cannot bring myself to believe that after all this, Andrew is giving sanctuary to Epstein. My guess is he is hiding out in the grounds and the Prince is totally unaware of his presence.

"That, or this photo is a monstrous hoax."

Stray bullet kills nurse at family party

A WOMAN was killed by a stray bullet while toasting New Year's Eve with her family.

Police said Philippa Ashford was struck by celebratory gunfire just minutes after midnight at the end of her driveway.

Nurse Ashford, 61, was outside with family and friends letting off fireworks in the cul-de-sac when she suddenly clutched her body and said: "I think I've been shot."

She then collapsed to the ground and died.

"There's no indication a family member or anyone else in the area was discharging a firearm."

Police said they went from house to house looking for shell casings and questioning neighbours in the Laurel Oaks area of Houston, Texas but found no evidence."

Sick flasher is chased off by man with baseball bat

A FLASHER fled for his life when he was spotted lurking behind a bin and chased away by a man with a baseball bat!

The pervert was initially spotted crouching behind the wheelie bin before he jumped out on a woman walking home from a night out.

It is feared that the flasher is the same man who was spotted wanking his cock in the area in February.

One witness to the latest incident said: "We were going to bed and were shutting the curtains when my partner saw a man outside without any trousers on.

"She saw him crouch behind a bin so we stood there for a few minutes to see where he was going to go.

"Then we saw a young woman walk past where he was and he jumped out and began trailing her.

"We ran outside, shouting to scare him, and he ran off. He went into an alleyway, came out with his trousers back on and then kept running.

"I ran after him with a baseball bat fearing he had been about to rape the woman."

A police investigation into the incident in Crookes, Sheffield, has now been launched.

Perv w*nked in restaurant

A MAN was arrested for wanking while watching porn on his mobile phone in a RESTAURANT.

Cops nicked the sicko as for "fondling his genitals" in the busy diner where families were enjoying a meal.

They were summoned to the restaurant after employees and customers said they saw Timothy Dugan (*above*) watching porn on his phone while touching himself.

Police say staff were quick to act – making the man leave and then calling law enforcement. When they arrived, police found Dugan hiding in a nearby bush.

He was charged with indecent exposure and is now in custody awaiting a court appearance in Thomasville, Georgia.

CONDOMNED

RELIGIOUS cops swooped on convenience stores and confiscated CONDOMS to prevent rampant New Year nookie in Makassar, in Muslim Indonesia.

PREMIER LEAGUE REF *DIDN'T* HAVE SEX WITH A HOUND BUT THESE BEASTS *DID*...

YOU DIRTY DOGS!

ABSURD RUMOUR: Former referee Bobby Madley

FORGET about VAR, the biggest question facing football over the last 12 months was: Did ref Bobby Madley shag a dog?

Well now we have an answer... NO!

Former Premier League referee Madley admitted he was forced to quit after a private message he sent mocking a disabled person was leaked to his employers.

He retired suddenly in August 2018 at the age of 32 and the official's shock exit sparked widespread rumours about his decision – including one bizarre claim that soon exploded on social media that he'd had sex with a dog.

By BARNEY SAMUELS
news@sundaysport.co.uk

Addressing the situation publicly for the first time last week, Madley hit out at "ultimately ridiculous" suggestions that he stepped down because he was filmed performing a lewd act with a dog – a rumour which stemmed from him being at a Huddersfield match, a team dubbed the Terriers.

But while he has never shagged a dog, there are plenty of men who have.

Here are just a few revolting cases that dog-sex detectives have tackled in recent months...

PHILIP MERCON

AN Army veteran tried to run from police after he was spotted bumming his neighbour's dog.

Philip Mercon, 27, was nicked after a witness said they saw him sexually abusing the male pooch in their neighbour's yard.

Cops found Mercon – who is a former 3D Field Artillery Automated Tactical Data Systems officer – in the yard with the dog, which was described as being mixed breed and medium sized.

Mercon, who is married with children, was said to have immediately let the dog go when he saw police and attempted to run off, but police were able to detain him.

The dog was given back to its owner so that they could get care for it, said Lt Kory Martin for the police in Bellmead, Texas.

He added that there have been no recorded injuries for the dog.

Mercon was later charged with bestiality, evading arrest and criminal trespass.

He was thrown in the lock-up but was later released on bail pending a trial.

The disabled veteran subsequently pleaded guilty and was handed a probationary sentence.

TERRY YETMAN

AN EX-COP was arrested for allegedly sexually abusing animals – including his former police dog.

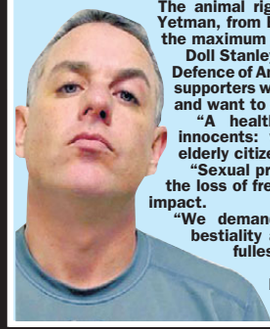
Terry Yetman, 38, was taken into custody and charged with 31 counts of possession of "extreme" porn.

The arrest came after Yetman turned himself in to police after an investigation into allegations of sexual abuse of animals.

Officials said they discovered electronic evidence showing Yetman's alleged bestiality with a retired police dog.

He was charged with 20 counts of performing sexual acts with an animal and 24 counts of filming the acts.

According to In Defence of Animals, an international group that protects animals, a petition for his prosecution received tens of thousands of signatures.



The animal rights organisation wanted vile Yetman, from Bossier City, Louisiana, to get the maximum penalty.

Doll Stanley, the campaign director for In Defence of Animals, said: "Thousands of our supporters were moved by this horrific case and want to see justice done.

"A healthy society protects all its innocents: vulnerable children, animals, elderly citizens.

"Sexual predators must be made to fear the loss of freedom and a stinging financial impact.

"We demand zero tolerance stance on bestiality and prosecute Yetman to the fullest if he is found guilty."

Yetman was released on bail but re-arrested on charges of hoarding child sex porn.

JESSE ALLEN

A PERVERT who had sex with his pet dog avoided a prison term.

Jesse Clinton Allen, 27, accepted a plea offer and pleaded no contest to two counts of sexual activity involving an animal.

Judge Robert B. Landt sentenced him to a year's probation, along with fines and court costs.

The court heard that Allen confessed to having sex with Rocky, a pit-bull-terrier mix, at his home in Ocala, Florida.

The case unfolded in February 2019, when a woman went to cops to turn in a mobile phone her brother had found while at a restaurant in Ocala.

The woman said that, while trying to identify the owner, she saw what she considered to be "numerous disturbing images".

She recognised the man in one video on the phone as Allen, who worked at the restaurant where the phone was found.

He was arrested and admitted he'd been having sex with Rocky "for some time".

The plea agreement stipulates that Allen must now undergo a psycho-sexual test and counselling.

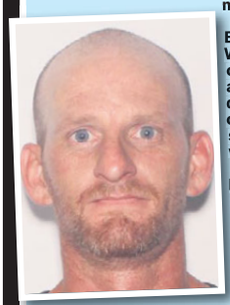
He is also banned from owning any animals during his probation and must register with the local animal abuse registry, forfeit the dog he shagged, and he can't stay or live with any animals in the future for fear he'll bum them.

Allen had to pay pay for Rocky's costs and care until the animal is re-housed.

DEAN SELLENTHIN

A MAN appeared in court accused of having sex with a dog – after groping a disabled woman and stealing panties.

Dean Sellenthin pleaded guilty to over 200 sick offences, including having sex with a golden retriever multiple times.



The 43-year-old, from Bangalow in New South Wales, Australia, was also charged with indecently assaulting a person with a disability – an act he told the court he deeply regrets – stalking and stealing women's underwear.

The incidents happened between 2011 and 2017, the court heard.

At least two dogs have been victims of Sellenthin's bestial lusts.

Other allegations he faced included producing images of abuse plus a number of drug-related incidents.

On a number of occasions, Sellenthin stole up to 48 pairs of women's swimwear and underwear from homes in his neighbourhood.

Sellenthin's defence lawyer asked for the matter to be adjourned for reports.

TERYN PETERS

A VILE pervert faces up to 20 years in prison after he FILMED himself having sex with an innocent little sausage dog.

Warped Teryn Peters, 56, was caught when he swapped the revolting footage with other perverts online.

Cops who found the footage realised it was Peters when they spotted a court summons in the background.

The summons related to a previous offence which saw Peters fined for masturbating close to an ice cream stall in a park in Eldon, Missouri.

An animal-friendly source at the Police Department said: "When I heard about this, my first thought was, 'How?' Then I done saw that hateful video. It will stay with me for the rest of my days.

"We kinda made a mistake by putting this man Peters in a cell with Big Bubba, who is a well-known volunteer down the animal sanctuary and a violent offender. Ooops."

Peters will be charged with indecency with an animal, making an obscene video, criminal mischief and cruelty – when he gets out of the prison hospital.

A neighbour of the beast, who didn't want to be named for fear of reprisals, said: "We just thought Peters was an oddball but then we found out about him interfering with dogs and the like.

"If he came near my dog, so help me God, I'd shoot his goddamned face off. Yessir."

Disney star wants judge off his case

A DISNEY actor charged with trying to bum a little boy argued he can't get a fair trial because the judge handling his case doesn't like the gays.

A lawyer for actor Stoney Westmoreland (*above*), 49, said in court documents filed last month that U.S. District Judge Howard Nielson Jr is incapable of being impartial as he represented supporters of a gay marriage ban in California when he was a private lawyer.

Nielson argued then that being gay is a choice and people can become heterosexual via conversion therapy.

Judge Nielson refuted the notion and denied Westmoreland's request he step down.

Westmoreland was fired from his role on the made-in-Utah Disney Channel series Andi Mack after his December arrest in Salt Lake City.

Police say he chatted to an undercover officer on the app Grindr and was arrested after trying to meet the investigator posing as a 13-year-old boy.

Westmoreland has pleaded not guilty to enticement of a minor.

Commies told: 'Make babies'

CUBANS are to be told officially to have more sex.

The communist nation's government will launch a campaign in July asking citizens to get busy between the sheets to boost flagging birth rates.

But the campaign will have the slogan "More love, more children", after the use of the word "sex" was banned.

A source said it is a "necessary step" to encourage births, which in recent years have decreased in Cuba.

He added: "The formula is simple – Cuba needs more children, and the only way in which fertility and birth rates can increase is for Cubans to have more sexual intercourse."

The new campaign was devised to reverse that situation and will be launched on July 11, World Population Day.

I DRANK 20 BOTTLES OF 20/20 TO SEE IN 2020!

MAD DOG: Pete somehow survived his revels

By SIMON DEAN
simon@sundaysport.co.uk

HOW was New Year for you?

Quiet night in with the family enjoying Jools Holland's Annual Hootenanny, featuring the totally uncontroversial crooner Stormzy?

Moderate revels in your local hostelry with friends and neighbours?

Howling at the moon as you view the prospect another 12 months of despair stretching ahead?

However you saw in 2020, it can't have been as extravagant at Pete Wilson's merrymaking.

Underpants

For the former train driver and sacked postman from Wrexham, north Wales, celebrated the dawn of a new decade by sinking 20 bottles of mindbending Mad Dog 20/20!

And apart from some wooziness and spectacularly-soiled underpants, he's none the worse for it!

Pete said last night: "I was surfing the internet and came across a booze nostalgia site which made mention of MD 20/20.

"That brought back memories for me as there was a gentleman who lurked in the park when I was a youngster who would give us bottles of Mad Dog in return for certain intimate favours.

"Needless to say, I could not find MD 20/20 in my local high class winery but I found a little shop nearby that caters for the street drinking community and they had the full range.

"I thought it might be a nice idea to drink 20 bottles to herald the arrival of 2020. I knew it was a big task so I had a Pot Noodle beforehand to line my stomach. Ye gods, that stuff has a kick!

"I woke up at about 4pm on New Year's Day, expecting the hangover from hell. As it was, I was just a bit unsteady but I sorted that with a bottle of Cinzano.

"Unfortunately, I'd soiled myself – but the inconvenience of that was more than outweighed by my sense of achievement.

"Happy New Year, everyone!"

Helen tops a fine day!

Vibrator up for top tech award

A VIBRATOR controlled through a mobile app is up for a top tech award.

The device, called Lioness and made by a Yank firm of the same name, is up for the honour a year after controversy with a similar gadget.

This year marks the first time sex toys can qualify for awards as part of the health and wellness category during the trade show in Las Vegas.

A year ago, a panel of judges had selected another vibrator but the Consumer Technology Association disqualified the gadget, saying it reserved the right to rescind awards for devices deemed "immoral, obscene, indecent or profane".

Boy racers get women on it like a car bonnet

OWNING a car gets you more pussy – and that's OFFICIAL!

In a blow to soppy millennials trying to cut car use to save the polar bears, boffins have found that lads with wheels get their dicks wet more often than blokes on bikes.

Researchers claim owning a car gives young adults higher self-esteem, making it a status symbol that women find attractive, and fall for them.

The findings, which have been reported by researchers from the University of Colima in Mexico, show that owning a car early in life "can act as a sexual enhancer in emerging adulthood.

"Women demonstrate a clear preference for men that possess or show the potential to acquire material resources," said study lead author David Soriano-Hernandez.

For the study, published in the journal *Sexuality Research and Social Policy*, the researchers asked 809 students aged 17 to 24 studying at a university in Western Mexico about their sex lives.

Having a car increased sexual desire and the probability of having sexual intercourse at a younger age, of having more sexual partners, and an increase in the frequency of sexual activities.

Big whopper w*nker ruins family's meal

A FAMILY with two kids had their meal at a burger place interrupted by a man MASTURBATING outside the window.

Officers were called to the restaurant after the family saw Brooks H. Philbrick standing outside the window, facing the family's table, exposing himself and furiously masturbating while staring inside.

Two employees went outside to try to get Philbrick to stop, but the pud-pulling pervert began yelling at them and made a threat to "tear the face off" the man of the family outside the diner in Bellingham, Washington state.

A police source said Philbrick continued to make threats, telling one fast food worker he would come back and kill them.

Philbrick was later booked into Whatcom County Jail on suspicion of six counts of indecent exposure, resisting arrest and harassment.

But don't worry – the model has landed a part in the long-running telly drama *Midsomer Murders*.

The 38-year-old plays a bride called Laurel who's killed on her big day in an episode called *Till Death Do Us Part* to be screened on ITV tomorrow.

Kelly has long wanted a part in the mild cop drama and now her dream has come true.

But while she plays a murder victim in the show, in real life it's her busters which are killer!

Topless

Fans may be disappointed if they're hoping for a reprise of her topless roles in 2004's *Survival Island* or 2010's *Piranha 3D*, though.

One on-set insider said: "*Midsomer* is a family show so, no, she won't be undressing… more's the pity."

A *Midsomer Murders* fan added: "How will I enjoy the gentle homicide show when I'll just be thinking about Kelly's big, bouncy busters and yanking the end clean off my shaft?

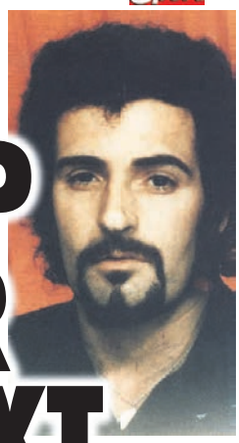
RIPPER: I'LL HELP LABOUR WIN NEXT ELECTION



OFFER: Sutcliffe (*above*) has offered his help to Corbyn and Rebecca Long-Bailey

Killer pledge to Corbyn replacement

YORKSHIRE Ripper Peter Sutcliffe reckons the defeat of Jeremy Corbyn in last year's General Election was "a sad day for decency" and has pledged to help Labour win the next poll.

By SIMON DEAN
simon@sundaysport.co.uk

The deranged serial killer, 73 – who is unable to vote himself – has told prison pals that he was sorry leftie Corbyn was stepping down and has pledged to back his preferred successor, fellow Red Rebecca Long-Bailey.

A prison source said: "With nothing else to do all day long, Peter has developed an obsession with politics, and that had led to an obsessive hatred of the Tories.

Ugly

"He's become more and more left wing, to such an extent that he backed Jeremy Corbyn's leftie policies.

"There was an ugly scene at one point when someone said that Corbyn's policies were 'the economics of the madhouse'.

"Peter looked him in the eye and said, 'I've been in the madhouse son – just you remember that'. It was so chilling."

It is believed that Sutcliffe has written to Jeremy Corbyn, offering to appear in any future Labour Party political broadcasts.

A Labour source said: "We're in enough f**king trouble without getting the Yorkshire Ripper on board."

It is believed that Sutcliffe blames the Conservatives for his continued imprisonment.

In a leaked recording of a prison chat, he claims he has served "long enough for anybody" and would be a "model citizen" if he was let out.

Bizarrely, he blames the Tories for keeping him in jail, saying: "The punishment matters to Conservatives… that's all they think about.

"Revenge, you know."

Sutcliffe murdered 13 women and tried to kill seven more in a five-year reign of terror ending in 1980.

He was sentenced to 20 life terms with a suggested 30-year tariff.

In 2010, when the Tories and Lib Dems were in power, Sutcliffe applied to have a minimum term set but a judge made it a whole life sentence.

Jailed nonce sets himself on fire

A CONVICTED rapist has died horribly after setting himself on fire in his cell.

Joel Baker, 62, was serving time at the Louisiana State Penitentiary in Baton Rouge for multiple sex convictions.

He was found behind the main prison camp in a critical condition and investigators say it appears he'd set himself on fire.

Baker was transported to a hospital in Baton Rouge, where he died two days later.

He was in prison on charges that include three counts of aggravated rape, three of aggravated oral sexual battery, and one of sexual battery.

Banned perv wore wig for ice rink flash

A SEX nonce with a long history of indecent exposure convictions used a false name and a WIG to get into the changing rooms at an ice-skating rink and flash at a teenager.

Graham John Gilpin, 60 (*above and below*), was released from jail in March last year after serving five years for indecent exposure.

Gilpin of Eastpointe, Michigan, is accused of going to the John Lindell Ice Arena in Royal Oak last month, where police said he

has been banned from entering, but he signed in with a fake name.

An employee caught Gilpin exposing himself to a teenage boy and escorted him out before calling the police.

Authorities said bald Gilpin wore a toupee to disguise himself during the alleged incident.

Gilpin has been charged with indecent exposure by a sexually delinquent person and trespassing and will appear in court later this week.

Condom 'fire risk' shuts orgy cinema

POLICE closed down a porn cinema that hosted sex parties saying the huge number of used condoms on the floor were a TRIP hazard.

Cops in the Argentinian capital of Buenos Aires shut down the cinema that charged £2 to view films and join in orgies.

Officers, along with the Judicial Investigation Corps and the Government Control Agency, closed the site on building code and health violations.

A witness told local reporters: "Everyone knew what was happening in there, but a blind eye was turned to it.

"But cops found such a huge number of used nodders on the floor it was decided they constituted a trip or slip hazard in the event of a fire.

"Christ knows what it smelled like in summer."

Wrote poison pen letters to orphans

GRUMPY Ben Parry held a deep-rooted hatred for the orphanage over the road from his home in Nottingham.

And it landed him 18 months in prison, in February last year.

The 64-year-old often moaned to regulars at his local pub about the noise coming from the centre's playground.

But few knew how mild irritation over the sound of children playing had turned into something far more foul.

Tears

Parry, an ex-miner, used to send anonymous, unsigned letters to the orphans, guessing first names like "Peter" and "Jane" in the hope they would find someone.

But when the children opened their envelopes, instead of finding a promise of a better life, they would often burst into tears.

The letters all read the same thing: "Your mum and dad didn't want you.

"Technically, according to baby Jesus, you are a bastard."

Banned from park for sniffing slide

PLUMBER Ben Scoffield spent his days fixing taps, repairing boilers and installing garbage disposal units.

But by night he became one of Derby's most feared prowlers, stalking kiddies' PLAYGROUNDS while wearing a black balaclava.

There, he would lift his woollen hat up just above his nose and take deep sniffs on the slides only vacated hours earlier by the bottoms of young children.

Self-employed Scoffield, 62, also used to target merry-go-rounds and – what he told close pals was "me favourite" – the swings.

He was caged for three years in July after he was caught committing beastliness while sniffing a see-saw in a city centre play area.

His barrister also asked the court to take into consideration an incident at a ball pool that legal restrictions unfortunately prevent us from reporting on.

Nude Year's Eve inferno

A NUDIST colony was almost destroyed after a fire broke out during their annual "Nude Year's Eve" bash.

Avalon Resort's lodge, set in 140 acres of woodland in Paw Paw, West Virginia, was nearly razed to the ground, but the pool and bar areas survived.

Photos showed huge flames engulfing the sky, just yards from a large propane tank, while other snaps show a pool in the background.

Avalon's website says it is the "friendliest, clothing-optional resort," near Washington, DC.

It added: "On New Year's Eve we had a fire in the lodge.

"Thankfully no-one, including pets, was injured. The aquatic centre was not affected at all."

OVER NEW YEAR'S HONOURS DATA BREACH, DON'T WANT THEIR ADDRESSES MADE PUBLIC...

THE SUNDAY Sport NEW YEAR DIS-HONOURS LIST

NEW Year's Honours – the same old shit being doled out to the same old people.

People getting knighted for doing nothing more than their jobs.

Other people elevated to the House of Lords on the grounds they would do nothing more noble than waffle even more hot air at our expense without the bother of being elected to do so.

So it was fun to learn last week of the outrage among the gong-wearing classes that their home addresses had been unwittingly leaked by the Government.

Of course, there were plenty of people who got gongs who DID deserve their honours.

By JUSTIN DUNN
news@sundaysport.co.uk

As well as big-named time-servers such as former Tory leader Iain Duncan-Smith, there were thousands of folk whose good works – maybe with disadvantaged kiddies, orphans or the lame – got recognised by an MBE or OBE.

But there are some who will NEVER get a gong – and rightly so.

These folks will never appear on any officials lists – except, maybe, the Sex Offenders' Rregister.

Maybe it's time we did give them some publicity.

So today, *Sunday Sport* proudly announces our New Year Dishonours List. Check you're NOT in it!

Flashed minge at mayor while on Spice

DRUG addict teacher Pam Roberts's criminal record has just one crime on it – that of indecent exposure.

But that doesn't tell the whole story, which is one of shame and public humiliation.

During an annual awards ceremony at her local town hall, which we cannot name for legal reasons, Roberts, 39, made the curious decision to inhale the once-legal high Spice in the toilets.

When she went to collect her award for primary school Art teacher of the year, instead of simply receiving the certificate and posing for a photograph, she instead shocked onlookers by raising her skirt, teasing aside her knickers, and showing the agape mayor her hirsute MINGE.

Hairy

As she stood there, she then asked the noble alderman: "Do you like them hairy? Mine's like a burst couch."

Magistrates later handed down a £180 fine to Roberts, and she was ordered to attend a drug rehabitation course.

It's believed she's now moved from England to somewhere in Scotland.

Sold photos of his dog in sexy undies

ROGUE Matthew Cookson took the term "niche pervert" to a whole new level with his evil online empire.

The 56-year-old made a fortune out of exploiting the dark desires of soulless creeps who lurk in the murkiest corners of the ultra-foul Dark Net – which can only be accessed by geeks.

There, he would flog photos of his dog, a Cocker Spaniel called Wee Wee, dressed in his own sheer underpants and specially bought bras.

Bastard

The sick bastard, from Torquay, even branched out into SELLING the underpants after Wee Wee had, well, wee'd in them, selling them to grateful perverts for £15 a pair.

He eventually found himself behind bars after offering Wee Wee up as a sexual TOY – to an undercover police officer.

The spaniel has, we are relieved to report, been rehoused with a loving grandmother in Torbay.

Hurled his own filth at Rose Queen

HATED Darren White won't be returning home anytime soon – because he's behind bars serving time for a vile criminal assault.

White, 41, was slung into a cell after pleading guilty to chucking his own faeces at a 13-year-old Rose Queen during a summer pageant in the south west.

The homeless drunk had been sleeping in bushes in a city centre park – that we're unable to name for legal reasons – when the Rose Queen parade passed through.

Eyewitnesses described seeing White – who "looked like something out of *The Walking Dead*" – stagger from the bushes in just his Y-fronts.

One said: "It happened in the blink of an eye.

"First there was this zombie, then it was pulling its pants down.

"Before anyone knew what to do, he had just shat in his hand and lobbed it at the poor girl."

White, who has a long criminal record, told magistrates he had been "very drunk" on White Lightning cidefr after a bumper day begging outside an ATM.

STAR DEFENDS BANCROFT SON SEX SCENE

STAR: Sarah Parish

BANCROFT star Sarah Parish has opened up about the shocking sex scene that left some viewers disgusted as the drama returned for a second series last week.

A scene in the opening episode saw shady Det Chief Sup Elizabeth Bancroft spot her estranged son Joe's girlfriend Annabelle in a swimming pool before watching on intently from the shadows as Joe joined her and the couple ended up having sex – with Elizabeth and Annabelle locking eyes during the racy encounter.

The weird liaison left a number of ITV viewers shaken, with one tweeting: "Who stands watching their son have sex? Disgusting."

Another shocked viewer posted: "OMFG watching your son doing that... wrong, just wrong," while a third reacted, "Woah woah woah woah woah. Did she just watch her son have sex? Did the girl he was having sex with see her watching? Wtf?"

Sarah admitted it was "unusual". She said: "There's so much going on inside her. With her son, Joe, I think she owned him.

"Do you know what I mean? She controlled him. So it almost felt slightly incestuous, although it wasn't.

"There was that unhealthy love that she had for him.

"So when he is gone in season two, you know, it's her life – she's devastated by it."

But fear not, dear reader, because to borrow from baby Jesus himself, we are here to bring light where there is shade – with a bumper collection of babes who just can't wait for summer!

Stunnas like Kelly Andrews, 27, from Hoylake, The Wirral, Merseyside, who has already booked an exclusive villa in Majorca with three pals.

She said: "We need something to look forward to after the holidays and now all I can think about is going topless on the beach – or maybe even nude if I can find the right place!"

And no doubt supermodel Kate Moss, 45, will be pictured throughout 2020 in exotic places in her trademark black panty bottoms and evergreen boobs.

Roll on summer!...

10 things you might not know about THE LAKE DISTRICT

THE boss of the Lake District National Park kicked up a shitstorm last week by claiming his little corner of England was not "diverse" enough.

He claimed more should be done to make it more accessible to the disableds, the ethnic minorities and, presumably, the trannies.

But what – apart from it not having enough brown faces – do we know about the glorious Lake District?

Here are a few facts that might help out…

1 **THE Lake District covers 912 square miles (583,747 acres)**

2 ITS highest peak is Scafell Pike – England's highest mountain – at 3,210 feet

3 **THERE'S actually only one "Lake" in the Lake District – Bassenthwaite Lake. The others are called something like "water" or "mere"**

4 IN the heavy rains of November 2009, Windermere rose 61 inches. Over the week, that translates into an extra 7852902164 gallons

5 **41,100 people live within the boundaries of the National Park. That's 44 people per square mile. In London, 11,738 people live in each square mile**

6 THE first Lakeland visitors' guide appeared in 1778, written by Thomas West, a Jesuit priest

7 **THE most famous guides are 'A Pictorial Guide to the Lakeland Fells' – a series of seven books by Alfred Wainwright, written over a period of 13 years from 1952. More than two million have been sold.**

8 THE 214 hills described in the seven volumes have become known as the Wainwrights.

9 **MORE than 19 million people visit the Lake District every year**

10 SEATHWAITE, in the middle of the park, averages 140 inches of rain a year and is the wettest place in England.

No need to bow to the 'diversity' gods

I WONDER if Richard Leafe was expecting the huge pile of sheep shit that was dumped on his head after he gave an interview screened last week.

The head of the Lake District National Park Authority in Cumbria said the rugged landscape "excludes" too many people and must change to attract a more "diverse" mix of visitors.

Ah, yes. Diversity – the word that makes me reach for my sharp things.

According to reports, the powers-that-be think that the Lake District is too middle class and too white.

Now, I've never heard anyone – certainly nobody in polite society – complain that inner cities are "too black" or that people visiting Blackpool are too "working class".

But we'll let that pass and instead ask why anyone would think it's a problem that visitors to the Lake District tend to be white and middle class.

Hillwalking is, broadly speaking, a middle-class pursuit.

And we live in a country which, whatever the policymakers who live in central London may believe, is overwhelmingly white.

I'm at a loss as to how Mr Leafe would tackle the "problem" of the Lakes not being diverse enough.

Couple of mosques in Grasmere?

Take some inner London knife gangs on a life-changing tour of the pencil museum in Keswick?

Of course, the real reason Mr Leafe is spouting this nonsense is money.

He told Sky News that to ensure continued public funding the national park must adapt.

"We need to be able to sell the national park to everybody in Britain, all society, and it's important that it doesn't just become exclusive to one single use group," he said.

"The moment we get into that position, I think national parks start to lose their relevance and therefore the very reason for calling it a national park and spending public money."

Ah, now we get it!

Government, these days, is run by diversity zealots. They're the ones who hold the purse strings.

So, we have primary schools in rural Lincolnshire – where the ethnic minority population is close to zero – being marked down by Ofsted because they don't have "enough" ethnic pupils.

And the head of the Lake District National Park prostrating himself on the altar of diversity to ensure central government doesn't turn off the cash.

May I suggest something a little bit controversial?

People go to the Lake District – and our other national parks – to have a look at how England was before our nation was changed beyond recognition by "people who know best".

Shall we, in these little areas where an earlier time is preserved, keep things as they are?

My wife went to help Santa on Xmas Eve... I'm still waiting for her to come back

WORRIED: Dave is waits for Sandra beside their Christmas tree

WHEN Dave Edwards's wife told him she going to work for Father Christmas, he couldn't have been more proud.

By JUSTIN DUNN
news@sundaysport.co.uk

A staunch Christian and devout churchgoer, his missus Sandra's decision made him nothing but delighted.

But when she failed to return from Lapland on Boxing Day, and her phone went unanswered, car mechanic Dave, 43, began to worry.

He said: "Me and Sandra have had a lovely decade together as man and wife, and we've always enjoyed Christmas.

LOVELY DECADE: Dave and Sandra on Christmas Eve before she left 'to help Santa'

"When she told me she was off to the North Pole to help out Santa on Christmas Eve, well, you could have knocked me down with a feather.

"What a wonderful thing to do! Think of the kiddies' faces!

Turkey

"Thing is, though, is that she hasn't come back.

And when I ring her phone she doesn't pick up, and the ring tone sounds a bit like the phone is still in the UK.

"I've kept the tree up just in case. The turkey is not going to be wasted, although it is starting to smell a bit."

Dave, from Poole, Dorset, added: "My best friend Claude lives next door so naturally I went around to tell him, and to ask him to keep his eyes and ears out for any information.

"But he wasn't in. The curtains were all drawn and my spare key doesn't seem to work anymore.

"So in actual fact I'm looking at two missing persons mysteries at the same time."

Intrepid *Sunday Sport* investigators asked regulars at Dave and Sandra's local, The Fisherman's Arms, where she worked as a part-time barmaid, if they any idea where Sandra may have got to.

One said: "Well, she's shagged everyone in here already so she's probably riding sausage on the other side of town. Mine's a cider."

READER PIC

Amanda does her bits for charity!

BOING! That's the noise 29-year-old Amanda Richards' busters make she when she flops 'em out of her bra!

The 36JJ beauty from Haverfordwest in south Wales said: "I'm a barmaid and if I had a pound for every time the locals have asked for a look at my boobs after closing time I'd be a rich woman!

"As it was, the locals clubbed together and said they'd donate £100 to a local charity if I appeared in Sunday Sport with them out.

"So, out they came – I like to do my bit for charity, isn't it."

NEW SERIES OF the L word IS That's one L of a

By BRAD CHADWICK
news@sundaysport.co.uk

LESBIANS and lesbian wannabes are frothing at their cloppers over a reboot of iconic Sapphic series *The L Word*.

The original Yank series ran for six seasons from 2004 to 2009 and was kind of a lesbian version of *Sex and the City*.

Some thistle-chewing lesbian purists criticised it as an over-glamorous representation of lesbo life, but the series was a smash.

And now it's back.

The L Word: Generation Q premiered in the U.S. late last year and it is PACKED with scenes that would not be out of place in a high-end lesbo porn flick.

It features loads of original cast members including Katherine Moennig, Jennifer Beals and Leisha Hailey.

And there are newbies Jacqueline Toboni, Rosanny Zayas, Arienne Mandi and Leo Sheng.

The eight episodes are being screened on Showtime in the States.

No release date has been set for the UK but it will probably turn up on Channel Four, as they're into that sort of thing…

SUCKER: Teacher Karla Winterfeld

SPUNKY NIPPLE SEX MISS MUST STAY IN JAIL

A TEACHER who confessed to having sex with an underage pupil has had an appeal to reduce her sentence rejected.

By BARNEY SAMUELS
news@sundaysport.co.uk

Karla Winterfeld, 35, had been sentenced to 12 years in jail for sexually assaulting a 15-year-old former student, repeated sexual penetration – and filming their romps on her mobile phone.

The footage showed Winterfeld sucking hungrily on the lad's erect penis, then guiding it into her soaking wet minge.

Semen

The video also shows the boy ejaculating greats wads of semen over Winterfeld's 34D breasts. She then rubs the still-warm semen into her stiff nipples.

She pleaded guilty to first-degree criminal sexual conduct in October 2018 – but because she did so without any plea agreement in place, Judge David Johnson was free to exercise his discretion as to whether she should serve the full sentence.

Winterfeld formally resigned from her teaching post in August 2018 after 11 years of employment by the Duluth school district in Minnesota.

Prior to sentencing last year, Winterfeld said: "I will never forgive myself for what happened. I will live with this guilt for the rest of my life."

But the Minnesota Court of Appeal ruled the sentence should stand.

She can now expect to remain imprisoned for at least eight years before she is eligible for parole.

Johnson explained: "I've observed the grooming behaviour, and I've reviewed the acts that you committed against this child."

UK radioactive goat terror

RADIOACTIVE goat corpses could be buried in the UK.

The animals, said to have been experimented on in the 1950s and 1960s, may be under the land in Shinfield, Berks, whose residents raised concerns after learning scientists at the University of Reading injected the goats with radioactive isotopes.

It formed part of research into milk production in Shinfield until 1985.

Burying dead livestock was banned in 2003, but before then farmers would bury dead animals in pits.

Seren: Going all the way up is good for my bum!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Seren Gibson says the best thing about living in her home town is all the big hills nearby...

Because walking up them keeps her bum in perfect shape.

The 25-year-old, from Ruthin, North Wales – who boasts 32Es – said: "I've always had huge compliments on my bum and I reckon it's because I live near the Clywdian hills and I have been climbing them all my life.

"Walking up hills is really good for the bottom and for the soul as well.

"There's nothing I love better than when it snows and the hills are empty and I climb up Moel Famau in my snowshoes.

"I bought them for a laugh on a trip to Canada but they actually work a treat."

My perfect Sunday...

Sydney James, 29, 32F, from Brighton

KEN YOU GUESS MY CARRY ON FAVE?

SYDNEY James has a VERY appropriate favourite way to spend the Sabbath day – watching old British comedy films.

She's a HUGE fan of the *Carry On* movies and guess who's her fave actor?

Kenneth Williams!

Sydney, 22, from Brighton, who has gorgeous 32F boobs, laughed: "People tend to assume that my favourite *Carry On* actor is Sid James – my namesake – but I honestly prefer to watch Kenneth Williams. I read up about him and he was secretly appalled that he had to make a living in the *Carry On* films because he thought he deserved to be in more serious movies.

By WENDY THOMAS
news@sundaysport.co.uk

Art

"I'm glad that he wasn't though because his great performances lift even the most workaday *Carry On* film to a work of art.

"And I love to watch the Carry On films on a Sunday, while slurping a cup of Ovaltine with a bit of cocoa stirred into it.

"That makes me fall asleep until *Antiques Roadshow*!"

LEGENDS OF PORN

PART 89 ABELLA DANGER

STUNNING Abella Danger is one of the most beautiful girls working in porn today – and also has an amazing massive arse.

By PENNY MARSHALL
news@sundaysport.co.uk

The 24-year-old made her debut in 2014 in the flick *Interracial Pass* before going on to star in *My Sister The Cheerleader, Daddy Likes My Big Ass, Anal Cuties 2, My Wife's First Cuckold* and *Lesbian Analingus 9*.

Describing her first time on set, the brunette beauty – whose parents are Ukrainian Jews – said: "I already knew how to f**k.

"The crew made me feel really comfortable, obsessing over my body and giving me compliments.

"I loved that once the camera started rolling, this alter ego came out, this slutty little thing."

But despite appearing in hundreds of sex scenes including everything from lesbianism, anal, bumhole licking and kinky BDSM, she still has fantasies she would like to fulfil.

She said: "I really want to do a 10-guy gangbang."

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Aberdeen...

HEATHER DODDS
AGE: 24
FROM: Aberdeen
OCCUPATION: Bar worker
FAVE DRINK: Rum
FAVE FOOD: Vegan
FAVE FILM: *Anchorman*
FAVE ACTOR: Johnny Depp
FAVE HOLIDAY: France

CAROLINE JONES
AGE: 24
FROM: Aberdeen
OCCUPATION: Bar worker
FAVE DRINK: Gin and tonic
FAVE FOOD: Italian
FAVE FILM: *The Bachelor*
FAVE ACTOR: Matt Damon
FAVE HOLIDAY: Spain

OH-NO MOMENT

HEATHER: When I was on holiday last year I had sex with my boyfriend on the beach. It was all going well until an old couple spotted what we were doing. They were shouting at us in Greek – I just found it hilarious and ran off. But it was a pretty embarrassing getting caught!

CAROLINE: I always find it bad when I start fanny farting during sex. I want to curl up in a ball when it does. My boyfriends have just started giggling but it's awful because I can't stop it sometimes.

BUM FUN

CAROLINE: I haven't tried it yet but I'd be up for anal sex if a boyfriend asked me to. I'd only do it with a long-term boyfriend.

HEATHER: I've done it a few times and have to say the orgasms can be so intense. You should definitely try it soon!

FAKING IT

CAROLINE: Some of my friends say they fake orgasms all the time but I can't see the point. I've faked it on one-night stands but I'd never do it with someone I was seeing because they'd never improve

HEATHER: Yes, I don't have a problem faking it with someone I'm seeing or with a one-off. If they've been going for ages and it just isn't happening it's a bit rude to tell them to get off. It's easier to fake it.

SEX TOYS

CAROLINE: Have you got any sex toys?

HEATHER: No, I've never used a vibrator. I've always had the real thing so there's been no need. I've heard the Rampant Rabbit is good, so I might get one.

CAROLINE: I've got the Dolphin vibrator and it's great. Blokes love using it on you as well – it turns them on and makes for great foreplay.

FANTASIES

CAROLINE: I know it's naughty but I used to fantasise about my ex-boyfriend's best mate when we were having sex. I never made the mistake of shouting his friend's name but it nearly happened once.

HEATHER: My fantasy is having sex with Justin Timberlake on a desert island with Cameron Diaz looking on. It'll never happen, but it'd be great fun!

ONE-OFFS

CAROLINE: What kind of guys do you go for when you want a one-night stand?

HEATHER: I go for good looks and someone who can make me laugh. A couple of my one-night stands laughed me into bed and I ended up laughing them out of it because they were so crap.

CAROLINE: How many have you had?

HEATHER: Four. The other two were good – we shagged all night long and then I disappeared the next day. I'm sure I'll have more, they're a good laugh.

CAROLINE: I've had three and each one was crap because we were too tipsy to enjoy them. Stay sober for sex, girls! They're a part of growing up. I'll definitely have more in the future.

FAVE POSITION

HEATHER: How do you best like sex?

CAROLINE: On one-night stands it has to be rough and ready because it would be cringeworthy if it was slow and romantic. Doing it slow would feel like you cared about each other when you don't and all you want is a good hard shag.

HEATHER: I agree. There's nothing nicer than doing it slowly with a boyfriend though. It turns me on and it's far more sensual that way.

LESBO LOVIN'

CAROLINE: One of my friends is a lesbian and she reckons sleeping with women is far better than being with a bloke. Have you done anything with a girl?

HEATHER: I've kissed my friends but nothing more than that. Snogging girls isn't anything to shout about. It's just like kissing a bloke. I'd never dream of going further than that with a girl.

CAROLINE: I've kissed girls but I don't think I'd want to go further. I don't fancy girls so I don't think I'd get anything out of muff-diving to be totally blunt and honest with you.

> **'Willy size isn't that important – it's the motion in the ocean, not the size of the boat that counts'**

WILLY SIZE

HEATHER: Have you encountered any huge willies?

CAROLINE: My last boyfriend had a big, chunky, eight-incher. He told me he had a big one when we started going out but I thought he was all talk until I saw it.

HEATHER: Was he good in bed?

CAROLINE: Yes, I was worried he was going to split me in two at first and it was a bit of a tight fit. But once I got used to it he blew my mind. Willy size isn't really that important – it's the motion in the ocean, not the size of the boat that counts.

HEATHER: I had a fling with a bloke who was well-hung. His willy was just short of nine inches long and it was fat as well. I thought the sex was going to be amazing but it turned out to be a let down. He was crap in bed and thought the size would compensate but it didn't. Good sex is all about technique, not willy size.

WILD ROMPS

CAROLINE: I had sex with my fella in a public swimming pool once. There were loads of people in the pool but we went to the corner and did it without getting noticed.

HEATHER: How did no one catch you?

CAROLINE: It looked like we were just having a cuddle. It was exciting doing it in public and in water as well. I loved it.

HEATHER: I've had sex in a shopping trolley. My boyfriend and I were tipsy and it was there so we thought, why not? It was a little bit uncomfortable but it was horny having sex outside. It was a Sainsbury's trolley.

DRESSING UP

CAROLINE: Do you enjoy dressing up?

HEATHER: Yes, I have a PVC nurse's uniform. It always makes sex exciting when I put it on. It turns guys on as well.

CAROLINE: It's wipe-clean too, that's an advantage.

HEATHER: True, I've been thinking about buying a bunny girl outfit. They look cute and I know I'd look sexy in one.

CAROLINE: I've never worn a costume but I enjoy putting on sexy lingerie for blokes. I love it when they rip it off me and it always gets me turned on. I find that the more effort you put into things like that, the more effort the bloke puts in.

THREESOMES

HEATHER: Have you considered having a threesome?

CAROLINE: No, but if my boyfriend wanted one I probably would.

HEATHER: So you'd be happy to share him with another girl?

CAROLINE: It might be fun, you don't know unless you try it do you?

HEATHER: Sex is about two people and it would feel wrong doing it with two people at once.

CAROLINE: So you'd never hop into bed with two other people – even if it was two fit blokes with massive cocks?

HEATHER: Well, when you put it like that... I suppose you should never say never!

GIRLS ON TOP: She'll love her New Year bod after a few sexy workouts

GET F**KING FIT!

FORGET the gym and low fat foodstuffs – there's a better way to get in shape with the UK's favourite TV porn channel using the SEX DIET!

What better way to work off the winter weight than getting down and dirty with a lovely lady?!

Whether it's with your girlfriend or wife, a raunchy romp is the perfect way to kick-start 2020!

If you have any trouble convincing the love of your life that a romp is the best way to shed a few pounds, here's a few facts you can share with her:

- Girls who swallow after a blowjob are EIGHT times more likely to lose weight than women who choose to spit it out
- If she wants to lose the most weight, get her to go on top – the cowgirl position is the best way to ride herself fitter
- Forget about squats – ANAL sex is our advice, as taking it up the rear is the key to the tight bum you see on all your favourite TVX girls
- Everyone recommends joining a gym with a friend and we think the same about sex – ask her to bring along her friends and they can help her push herself even harder

If you still can't get your girl on board, you can always join the porn stars on Television X by simply calling 0333 030 6969 to subscribe NOW, or visit *Televisionx.com*

Match of the Day Live: The FA Cup (Arsenal v Leeds) – BBC1, 7.30pm

COVERAGE of the third-round fixture (kick-off 7.56pm) as the 13-time winners host the Championship promotion contenders at the Emirates Stadium.

These sides last met at the same stage of this competition eight years ago, with Arsenal legend Thierry Henry scoring the only goal of the game.

The Frenchman – Arsenal's all-time leading scorer – was making his second debut for the club, having joined on a short-term loan from New York Red Bulls.

Cameras follow every twist and turn as the enquiry tries to unravel what lies behind the murder.

Mersey rivals up for the cup

Match of the Day Live: The FA Cup (Liverpool v Everton) – BBC1, 3.30pm

COVERAGE of the third-round clash (kick-off 4.01pm) between the Merseyside rivals at Anfield.

The sides met here in the Premier League last month, with the Reds winning 5-2 in what proved to be Marco Silva's final game in charge of the Toffees.

The teams last played each other in the FA Cup at this same stage two years ago and Jurgen Klopp's men won 2-1 on that occasion.

Defender Virgil van Dijk scored the winner on his debut, following his £75million move from Southampton.

George Clarke's Old House, New Home – C4, 8pm

RETURN of the home makeover show, beginning with Tim and Emily. They fell in love with their 16th-century, Grade II listed Cotswold cottage on first viewing, despite an abundance of dark beams, low ceilings and woodchip.

For George, the project is his oldest house yet.

And In Kent he tackles an oast house.

Can he design a super cool bedroom for eight-year-old Bella in this unusual tower?

SAS: Who Dares Wins – C4, 9pm

TWENTY-FIVE men and women, including an ex-SAS operator working as a mole, face an intense start to the latest course, led by Chief Instructor Ant Middleton.

It begins with a cold-water shock as the recruits must jump from a moving speedboat into the freezing Atlantic Ocean.

They then swim to the shore of a remote Scottish island, where the recruits are based for the duration of the course.

One among them is an undercover SAS operator, who left the division just over a year ago.

TUESDAY

Silent Witness – BBC1, 9pm

NEW series. Part one of two. Nikki is called in when a private jet crashes in a forest outside London and finds herself forced to be the bearer of bad news when she learns that the casualties include a former US ambassador who is also an old friend of Matt's.

Meanwhile, Thomas investigates the suspicious suicide of a successful businessman and uncovers an unexpected connection to the plane crash – which suggests the two cases are linked and that the plane may have been deliberately sabotaged as part of a coordinated attack.

The National Television Awards Celebrate 25 Years – ITV, 9pm

JULIE Walters narrates a look back at the long-running awards show. Previous hosts Trevor McDonald and Dermot O'Leary share their memories of anchoring the event, while their successor, David Walliams, looks ahead to taking the reins for the 2020 show.

Among the stars sharing their memories of past awards ceremonies are Graham Norton, Ant & Dec, Bruce Forsyth, Holly Willoughby, David Tennant, Simon Cowell, Paul O'Grady, Richard & Judy, Danny Dyer, Craig Revel Horwood, Motsi Mabuse, Brendan O'Carroll, Phillip Schofield, Julie Hesmondhalgh, Michael Barrymore, Eamonn Holmes and Davina McCall.

White House Farm – Wednesday, ITV, 9pm

NEW series. Six-part drama based on the true story of the mass murder of a family in an Essex farmhouse in August 1985.

Nevill and June Bamber were shot and killed, along with adoptive daughter Sheila Caffell and her six-year-old twin sons.

Police receive a call from June and Nevill's adoptive son Jeremy.

At first, it appears to be an open-and-shut case to investigating officer DCI Thomas 'Taff' Jones – but for DS Stan Jones, something does not feel right.

KATE: STEVE IS SO OUT-STAN-DING!

By JAYNE FERGUSON
news@sundaysport.co.uk

PLAYBOY babe Kate Darcy enjoyed a quiet night in watching the Steve Coogan movie *Stan and Ollie*.

Gorgeous Kate, from Hartlepool, who has 32DD boobs, said: "I know Steve Coogan is a bit of a social media irritant, but he is a fine actor.

"Alan Partridge, for example, was second to none. And his Stan Laurel was a perfectly-observed triumph.

"It was a lovely little film. Quite sad in parts, but a fine tribute to two very funny men.

"Best of all, I shared a nice bottle of wine and some chocolates with a hunky fella.

"That's my kind of day."

GREAT: Steve Coogan and John C Reilly in Stan and Ollie

CHILL WIND GETS ANTONIA NIPPY!

MOST of us avoid the chill winter winds – but hardy beauty Antonia loves 'em.

Because a numbing stiff north-easterner makes the nipples on her 34D boobs rigid and super sensitive!

Antonia, 25, who lives in Halesowen, West Midlands, said: "I have no idea why, but it is only the polar continental wind from the north east that has this effect.

"I just need to be out for five minutes and my pink nipples get stiff.

"And if I am not wearing a bra, the rubbing from my jumper makes me climax – literally.

"I have had to run to a quiet place on cold days so often, just to sort out my soaking little panties."

THE WORLD FAMOUS AGONY Page

Dear Ava,

I'M a 21-year-old builder and me and some of the lads I work with recently went to a brothel – it was my first time, to be honest.

I ended up with a really fit hooker wearing a leather bra and knickers. She took me to a dungeon-style room and whipped my bare arse until I had a raging hard-on.

She sucked my dick and licked my balls and then told me to f**k her. I squeezed her 34DDs as I pounded into her and after about five minutes I shot my load all over her face and boobs.

She then gave me a nice slow blowjob – sucking me to hardness again before giving me a two-handed handjob to completion.

The problem is I can't afford to go back as she charged £80 for the session. What can I do?

CM, Leeds

Ava says...
GET your mates to have a WHIP-round for you!

Dear Ava,

I HAVE been married to my wife for 10 years and we are both 35.

We have a great relationship and did have a great sex life up until a few months ago when my missus just went completely cold on me.

Every time I try something with her she just shrugs me off, and on the rare occasion that we do have sex she stays still and doesn't seem to get any pleasure.

I've tried all sorts to get her back in the mood – porn movies, dildoes, ring-tickling, the lot. No joy.

I'm beginning to wonder if it has anything to do with my new job working on the sewage farm. What do you think?

Terry, Middlesbrough

Ava says...
I THINK another job change would bring a breath of fresh air into your love life.

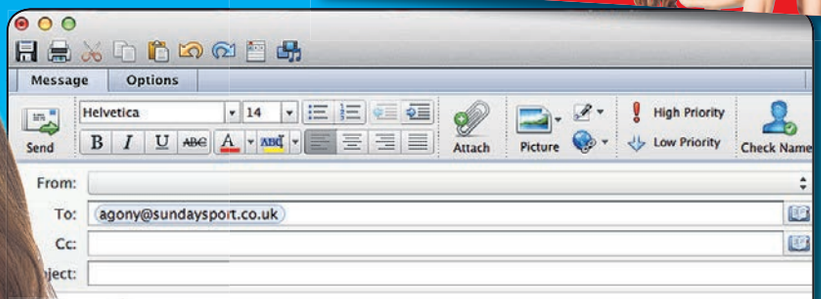
SUNDAY Sport SEXY BACK END!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters and emails. Here's her advice...



How do I keep it secret that I'm bonking babysitter?

Dear Ava,

MY wife and I have a very hectic social life and go out nearly every Friday, Saturday and Sunday night.

As we have three kids we employ a babysitter, an 18-year-old girl who lives two doors away.

A couple of weeks ago we went to a party.

Pissed

We'd told the girl we'd be late back so she decided to stay over, sleeping with our youngest daughter.

But when we got back she was still up watching a DVD and she helped me put the wife, who was pissed, to bed.

We went back downstairs and I made us a coffee and we chatted for a while.

Somehow we got on to the subject of sex and she amazed me when she said that she always feels horny – which certainly had me stirring in my trousers, a fact she quickly noted.

She then got my cock out and started to lick the glistening tip as it swelled to its full erect length, jerking in anticipation at the action to come.

I couldn't wait to bone her so I eased off her panties and licked out her shaven fanny, lapping at her juices as they flowed readily.

After a few minutes I I could barely hold on so slipped my ramrod dick into her and she squealed in delight.

Then I turned her over to give her a doggy-style screwing and her cries of pleasure were almost enough to wake the neighbours and we both came explosively.

I now shag her whenever I can, but I'm worried my wife will find out.

What should I I do?

DH, North London

Ava says...

JUST don't get caught!

Dear Ava,

ME and the missus were watching that old Marlon Brando film the other night on some streaming channel or other, where he butters up his dong and slides it up some bird's arse.

Well, I fancied a bit of that and so I was straight in the fridge afterwards.

In fact, I was so turned on I stuck my knob straight into the chilled tub of I Can't Believe It's Not Butter.

I almost came there and then but pulled myself back from the brink and gently guided my manhood up the wife's bum in the front room.

She moaned with pleasure and after a few quick strokes I shot off up her tight bumhole.

The next morning she brought me tea and toast in bed and I ate it without thinking. Then I remembered where my cock had been the night before and I felt physically sick.

Should I throw away the tub – there's still loads left in it?

TR, Hants

Ava says...

NO, get your cock in it and delight the wife again.

You dragged me out of a meeting with head office because your minge is wet?
You better believe it, buster! Now, where's that cock...

Ava says...

THAT'S one horny mama!

Carmen's oil glammed-up!

By JAYNE FERGUSON

GORGEOUS Carmen moved to Aberdeen three years ago to work in the oil industry but soon found another calling – as a glamour babe!

The 23-year-old, who has 34DD busters, said: "I got a job working offshore and loved it.

"But then I got talent-spotted in a bar in Aberdeen and started working part-time as a model.

"Now I'm doing more glamour work – and it's a bit warmer in the studio than in the middle of the North Sea!"
